OFFICIAL-SOURCE TECHNICAL IDENTIFICATION REFERENCE

HIMA 42300

OR Logic Module

Manufacturer	HIMA Paul Hildebrandt GmbH
Requested model	42300
Product identification	OR Logic Module
System / family context	Planar4

Verified scope

Requested Planar4 logic-module identifier; exact hardware revision remains project-specific.

No dimensions, ratings, interchangeability or revision claim is added unless it is explicitly within the cited HIMA source scope.

Engineering checks before replacement

- Match the complete model and all visible part-number or revision markings.

- Compare the installed rack, slot, mating connector, wiring or channel assignment with the approved project documentation.

- Use qualified personnel and the applicable HIMA installation, commissioning and safety-validation procedure.

- Do not infer interchangeability from appearance or a similar model number.
